ESTABLISHMENT OF THE EXECUTIVE SECRETARIAT

1. The Executive Secretariat was established effective 12 July 1973. The Secretariat will be under the supervision of the Director and consist of the Executive Secretary, two staff assistants, and two secretary-stenographers.

2. The Executive Secretary will perform the following functions:

a. Review and distribute all incoming extra-Agency correspondence addressed to the Director and Deputy Director. Subject to review by the Director and Deputy Director, he will assign tentative actions and suspense dates to the appropriate Deputy Director, Head of Independent Office, or appropriate officer. He will call the attention of the Director and Deputy Director to any correspondence that warrants their awareness or guidance prior to completion of action. He will also review correspondence for the signature of the Director and Deputy Director destined to addressees outside the Agency to assure it is in proper form and has been fully coordinated. This effort will be supplemented by the personal staff assistants assigned to their offices.

b. Review all intra-Agency correspondence addressed to the Director and Deputy Director, ensuring that staff action has been completed and that copies are disseminated to all interested components. Unless specifically exempted by the Director or Deputy Director, all hand-carried material, whether they be action or information papers, will be recorded with the Secretariat, together with a statement or note indicating the action taken (even if ex post facto). In the event decisions are reached during the course of a telephone conversation, an effort will be made to make notes and file a copy with the Secretariat. A record of all actions assigned by the Director or Deputy Director will be maintained and reviewed with them periodically.

c. Keep the DCI, DDCI, and Deputy Directors advised of significant correspondence via a periodic reading file, provision of information copies, or oral briefings on particularly sensitive topics.
